

Children's birthday tours

(8-15 years old)

Why not have an underground birthday with us. You and your children can hear some spooky stories and maybe explore a few low tunnels during your own private tour.

If you wish, the children can then enjoy a buffet meal in the caves party room *(Extra charges apply, see below)*

Parties can be booked for weekends or school holidays, payment is requested upon booking. Tours go into the caves at 11.15pm and 2.15pm (Tours lasting 45mins), if you are having a meal afterwards, you will be in the function room for 60 minutes. If not using the party room afterwards then any free slot from 10.15-3.15 may be booked. Please ensure you are at the caves at least 15 minutes before the tour, as it is not possible for late arrivals to join a tour that already left.

Tour without food- £60 for up to 15 children (3-15), 3 adults go free. Any additional children (3-15) are charged at £4 each and additional adults (16-59) at £6 each.

Tour with food- £160. After the tour, your group can head down into the caves specially designed party room for an hour, where they can enjoy a hot/cold buffet meal. Please check with café for full details of menu and special food requirements.

(Please note any damages to the party room will be recovered)
